

Enroll in the MMIA Diabetic Supply Program Today

Living with diabetes can be a challenge to manage. Research shows that checking your blood sugar regularly using an accurate blood glucose monitoring system is important to maintain control of your blood glucose levels and reduce your risk of diabetes-related complication.

MMIA wants to make sure you have the supplies you need to check your blood sugar, as recommended by your doctor. We've worked with ProAct to offer this program for you to enroll and receive testing supplies for no copay!

TO ENROLL

1. Visit www.proactrx.com;
2. Create or log in to your account;
3. Select Resources;
4. Select Diabetes Management Program; and
5. Fill out enrollment form at the bottom of the page.
